1	Suspicious JavaScript detected: <script

## Open Ports Found

Port	Service	State
80	http	open
443	https	open

## Technical Details

Status Code	200
Content Type	text/html; charset=UTF-8
Server	hcdn
Content Length	4455
Ip Address	147.79.69.94

## Summary and Recommendations

- Quarantine or remove the scanned item immediately
- Run a full system antivirus scan
- Check for system compromise indicators

- Update security software definitions
- Review open ports and close unnecessary services
- Continue monitoring for new threats and vulnerabilities
